Important Considerations:

- All Rates are Excluding GST.
- 3 Training Programs will be provided before the deployment of the agent to ensure seamless integration and usage.
- Billing Cycle will be generated between the 1st to 5th of every Month.
- ***With Telephony:** Our Dashboard Integration includes telephony capabilities for enhanced communication.
- ****Custom Integration:** We offer flexible custom integration solutions tailored to your specific requirements. We will expose APIs to facilitate data exchange.
- **Choosing Your Integration:** Opt for Dashboard Integration if you need a visual interface with telephony. Choose Custom Integration when you require direct API access for bespoke data exchange with your existing systems.
