Important Considerations:

All Rates are Excluding GST.

3 Fine-Tuning Revisions will be provided before the deployment of the agent to ensure seamless integration and usage.

Billing Cycle will be generated between the 1st to 5th of every Month.

****Custom Integration:** We offer flexible custom integration solutions tailored to your specific requirements. We will expose APIs to facilitate data exchange.

Choosing Your Integration: Opt for Dashboard Integration if you need a visual interface with telephony. Choose Custom Integration when you require direct API access for bespoke data exchange with your existing systems.
